Dear Parents and Carers

## Homework Policy

Thank you for completing the parent survey at the end of the autumn term. The points raised have been considered and we will be responding to them in next week's newsletter.

One of the issues considered in light of the survey, and feedback from staff and children, has been our homework policy. It has now been reviewed. Please [click here](#) to access our updated homework policy.

Homework tasks will continue to be posted on Purple Mash for children and parents to access. However, most of this homework will now be completed by the children in their homework books. Homework will be uploaded on Friday to children and children should return their homework books by Wednesday of the following week, at the latest. Children in Year 6 should return their homework by Tuesday. Our policy states that teachers mark this homework, sometimes with the children, and acknowledge it in the books.

Should you have any queries relating to the policy, please do speak to your child's class teacher or year group leader.

Once again, thank you for your feedback.

Kind regards

Mr Henry  
Head teacher
