Thursday 21st June, 6C

- Visit to Chadwell Heath Academy for those who will attend in September. Children will go straight to Chadwell Heath Academy to start at 8.45am, and will be escorted back by a member of their staff by 12pm. Food and drink will be provide by the school so they will not need a packed lunch or school dinner that day.

ONLINE SAFETY - FORTNITE

It has come to our attention that many children are playing the online game Fortnite. Please be aware that this game has a PEGI 12 rating and therefore is not suitable for younger children

Pay close attention to the age ratings on games, social media apps and films to make sure they are suitable for your child. (If you do not allow your child to watch a 12, 15 certificate film, you should not let them play a game with the same rating). If your child has older siblings or cousins, be aware they may see content which is inappropriate for their age.

CLASS ASSEMBLY - 3A

3A class assembly will be on Thursday 21st June 9am. Parents are very welcome to attend. Please make sure you are on time, as latecomers will not be admitted.

START OF THE SCHOOL DAY

Thank you to all parents and children that arrive on time each day. We would however ask that parents do not gather outside the Barley Lane entrance after they have dropped their children off. It is causing congestion around the bus stop and pedestrians are having to walk in the road as the Pavement is too busy. Thank you.

HEAD LICE

We would ask that you check your child's hair regularly, particularly now the weather is warmer and head lice is easily spread. Using a fine tooth comb is helpful, and should you find any sign of head lice, it is a good idea to check the rest of the family.

Suitable products can be bought from a chemist, supermarket or from your doctor. Please treat your child's hair immediately if you find anything as they are easily passed onto other children.

DENTAL HEALTH

If you would like advice on keeping your child's teeth healthy, and tips for establishing a good dental routine, go to the following website:

www.nhs.uk/live-well/healthy-body/taking-care-of-childrens-teeth/

You will also find information on how to choose a dentist, and how to brush your child's teeth effectively.
