9th July 2021 - Issue 20

“Believe in yourself, Learn together, Persevere and Succeed”

Come On England!

We are looking forward to Sunday’s final. If your child is a football fan and are likely to be staying up late on Sunday evening to watch the Euros final, then you are welcome to let them stay in bed a little longer on Monday and get to school by morning

break. School will start at the normal time but children arriving before 10:45 will not be marked as late. Please ensure you provide a packed lunch if your child arrives

into school after 9.30am as a school dinner will not be available to order after this time. Children should sign in through the school office.

It’s been 55 years since England have reached a major men’s football tournament final, so please savour the moment, discuss the importance of teamwork, pride, resilience, respect (possibly disappointment, but hopefully not!) and enjoy this opportunity for learning and togetherness.

We would rather the children came to school rested and ready to learn than sleepy or absent for the day!

Sports Week

Although we couldn't invite parents to sports day this year the children still managed to have lots of fun and try

out some new sports. We tried Indian dance, Gaelic football, lacrosse, cricket and we had lots of sports coaches come to school for extra lessons.

Thanks to Mr McCarthy for organising such a varied programme.

ZOOLAB - Nursery & Reception

Our Nursery and Reception children had an exciting time this week when ZOOLAB came to visit. They brought some unusual creatures that the children had an opportunity to hold. They also found out all about their habitats.

School Council News

Miss Gheewala, Miss Munira & Mrs Arya would like to thank all the student council members for their hard work in raising the profile of the student voice this year at Barley Lane. We know it's been a challenging year but the excitement and good vibes they sent across the school by putting forward ideas to raise awareness of children's mental health has been paramount and everyone has really appreciated being involved in activities such, dress to express, stamp competition, ideas for improving our outdoor spaces, etc.

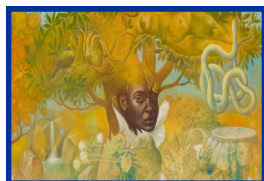

Thank you so much and have a restful summer. BLPS look forward to working with new student councillors next academic year.

Art Week took place recently and children in Years 2-6 took part in some workshops provided by the October Gallery. Each year group was assigned an artist to explore and create amazing art inspired by them.

Rafael Trelles, Chila Burman and The Mayan Glyphs were a perfect choice to explore the diverse cultures and art styles to compliment this year's theme 'The Natural World'.

Breakfast & Club

We are pleased that from Friday 3rd September, Barley Lane Primary School will be offering wraparound care for the children in our school. The clubs can be booked directly with the childcare provider. Please visit [Shine Clubs - Barley Lane](#) for more information and to book your child's place.

Educational Psychology Parent Helpline

Would you like to talk to someone about difficulties that you or your child are experiencing during the COVID-19 pandemic? Do you need some support with creating a daily routine for your child? Are you concerned about your child's emotional wellbeing? Are you struggling to motivate your children at home or manage sibling relationships? The Educational Psychology Service are here to support you.

The Redbridge Educational Psychology Service have a **dedicated telephone helpline for parents/carers** where you will receive advice and guidance from a professional psychologist.

The EPS helpline is available for all parents and carers - your child does not need to be known to the EPS, does not need to have a special educational need or additional support within school. We welcome calls from all parents and carers.

What Can We Learn From Football?

The England football team have had great success in the ongoing European Championships football tournament and manager Gareth Southgate believes that the positivity surrounding the tournament could benefit the team and fans for many years to come.

Things to discuss at home:

Why do you think some people become so passionate during football tournaments and in support of their team?

Uniform
