Barley Lane 70th Birthday

What a special day we had on the 9th June to celebrate our birthday! We had pupils, staff and parents past and present come to join us on the day. It was a wonderful afternoon with picnics, cakes and refreshments. We also had music, a dhol drummer, face painting and even a special visit from one of Barley Lane's previous headteachers, John Treadway, who led the school between 1973 and 2001. Thanks to Mrs Knight for organising the day and all of the staff that helped to make it such a fantastic event.

You can find our more about our school history on our [website](#). We hope you enjoy the selection of photographs - if you have any of the day you would like to share with us please send them to admin@barleylane.redbridge.sch.uk.

Discover Centre Trip - Reception

Reception children travelled to Discover Children's Story Centre in Stratford by train recently. They had so much fun! They explored the planet Nan, designed their own space rocket, played games, listened to stories and even played in the playground!

The children were a credit to our school. A big thank you to all the parent helpers!

Aquarium Trip - Year 2

Year 2 enjoyed visiting the Sea Life Aquarium in London this week. Children were excited to see Big Ben, Houses of Parliament and London Eye on the journey. In the aquarium, children observed the different sea creatures including penguins, jellyfish and seahorses and then enjoyed lunch in the Jubilee Gardens. Thank you to all the parent volunteers who attended.

Library Books

Please return any overdue library books by 12th July. Any lost or damaged books will incur a charge of £5 to be paid in cash to the school office.

Keep Our Streets Tidy!

Unfortunately we have had complaints from local residents who have found rubbish and wrappers in their front gardens and in the surrounding roads.

Please could we remind parents to respect our local area and make sure any litter dropped is taken home or disposed of properly in the bin.

Thank you.

Greek Workshop - Year 3

Year 3 recently took part in a Greek workshop and explored the myths of Greece and learnt how they helped Greeks live and understand the world around them. The children also found out about the Athenian Games (now known as the Olympics), its origins and how it has evolved to the current spectacle it is .

"It was hard grinding the seeds to flour but we showed resilience and got the flour eventually."
