## Anti-Bullying Week by Ahmad & Ethan 5F

We celebrated Anti Bullying Week by coming to school in our odd socks!

‘On Monday it was odd socks day and we had to wear two different coloured socks for anti-bullying week. Odd socks day is to show we’re all unique. We learned the different types of bullying and the impact it had on the victim. This year the theme was United Against Bullying. We also had an assembly with Andy and the Band where they explained more about bullying’

## A few reminders....

Please could we remind parents that reading books should only be brought in on Monday and taken home on Friday.

Water bottles should only contain water no squash please!

Please do not send your child in with a bag, they do not need them. Children should only bring in their coat a packed lunch and a water bottle each day. Pencil cases are not allowed as we provide individual packs to each child.

## Parent Zoom Sessions With BLSFA

Some parents have enjoyed the ‘LET’S’ sessions running on zoom each Tuesday morning with Rebecca from BLSFA. Parents have baked cakes and yesterday had a morning of sharing craft ideas. There are two more sessions to go, so join in with the details below:

## Children in Need by Alfie (5F)

'Children in Need is a charity that raise money for children who need help. In class we did thrive to 5 with Joe Wicks where we spent 5 minutes exercising to boost our fitness and mental health. The charity has raised millions of pounds. We hope that next year we can raise money again for this cause'

Do you miss your Children's Centre?

Well we miss you too! So we are putting together a growing timetable of live online sessions where you can join us and other families, learning and playing together.

It's easy to join in; just use the email link below and tell us which session you want to join by 2pm the day before Monday to Friday and we will email you back to confirm your place.

We do not record sessions, which are locked once started to prevent anyone not invited joining; this is for your safety. We also require that all participants have their video switched on at all times; this is a further protection, allowing staff to ensure only invited participants attend.

We will not use your email address for any other purpose and we adhere with all relevant legislation.

Stay home, stay safe, but you can still join in the fun online – see you soon!

Choose your preferred session and email this to us at [childrens.centres@redbridge.gov.uk](mailto:childrens.centres@redbridge.gov.uk) and we will send you the link and password in your confirmation.
