

Name- Sofia Didenko

Title- The Book of Stolen Dreams

Author- David Farr

Comments:

This book is absolutely amazing! It immersed me in the cities of Brava, Krasnia and Port Clement. I have enjoyed this book so much I couldn't put it down. Magical and gripping, as you plunge into the world of Krasnia, accompanying Rachel and Robert Klein on their amazing adventure to stop the evil president, Charles Malstain, who wants to live eternally to destroy the souls of the people of Krasnia.

Summary- (The plot, characters etc)

(From Rachel's Point of view)

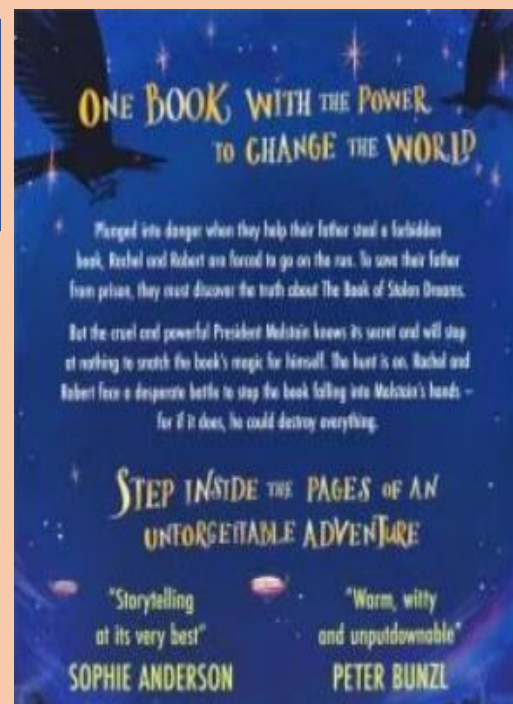

My Mother is dead. My father is in prison. I'm at an orphanage without my freckled and funny brother Robert. I have a friend called Laetitia here, but she can't replace him. I have a plan.

Plunged into danger when they help their father steal a forbidden book, Rachel and Robert are forced to go on the run. To save their father from prison, they must discover the truth about the Book of Stolen Dreams.

But the cruel and powerful President Malstain knows its secret and will stop at nothing to snatch the book's magic for himself. The hunt is on. Rachel and Robert face a desperate battle in order to stop the Book from falling into his hands.

Audience recommendation

This book is perfect for all ages. You could read it or someone could read it to you. I have read this book 5 times and it never bores me out!

ONE BOOK WITH THE POWER
TO CHANGE THE WORLD

Plunged into danger when they help their father steal a forbidden book, Rachel and Robert are forced to go on the run. To save their father from prison, they must discover the truth about The Book of Stolen Dreams.

But the cruel and powerful President Malstain knows its secret and will stop at nothing to snatch the book's magic for himself. The hunt is on. Rachel and Robert face a desperate battle to stop the book falling into Malstain's hands - for if it does, he could destroy everything.
